## 3.00pm

### Breakout workshops: Refreshments included in rooms

Each workshop will focus on a specific programme of work being driven forward by the ARCH partners.

The areas covered will be Skills & Education, Service Transformation and Research, Enterprise and Innovation. The Wellbeing Programme is contained within the morning session of the day but will need to be front and centre when considering the other areas.

Delegates will be asked to consider the direction and scope of the first phase of ARCH projects within each of the programme areas, and give their views/ideas and feedback on the next stage development of ARCH.

## Poll Everywhere

During the event we will be running audience polls using an online polling service provided by Poll Everywhere. There will be three ways to vote in the poll – using the Poll Everywhere app, by text message (your standard text messaging rates will apply), or via a web browser at [pollev.com](http://pollev.com)

If you wish to use the Poll Everywhere app, please download it before the event from your app store; it's available for iPhone, iPad and Android devices, and is free to download and use via wifi at the event.

If you need help with this, we'll be able to assist you on the day when you register at reception. Whether you use the app, text message or browser, further instructions will be provided on the day at the start of each poll.
